

HUD MAP EXPERTISE

Integra is the largest provider of market studies and appraisals that comply with HUD MAP guidelines.

- More than 70 of Integra's valuation consultants are qualified and experienced HUD MAP team members and provide valuation and consulting services to the majority of HUD offices in the United States.
- Integra personnel continue to upgrade their skills as they relate to the HUD MAP program.
- At the MAP training held at HUD headquarters in Washington, DC, in November 2009, Integra's appraisers and consultants made up over 40% of the total number of attendees.
- Integra's depth of experience and training gives MAP lenders an assurance of consistent high quality work throughout the nation.
