Equipment Appraisals

Specializing in all types of Equipment Appraisals

We conduct professional equipment appraisals on industrial equipment assets such as factory and freight vehicles, Airplanes, Helicopters, Restaurant, Cement production & more by a licensed and certified appraiser. Appraisal services are provided for banks, lenders, and business owners. Industries include construction companies, automotive factories, tool and die company's, foundries, and aerospace companies.

OUR VALUE PROPOSITION

What sets our firm apart is the longevity of our principals and senior analysts who have been collaborating on property analyses for over 25 years. Through developing our team relationships, our specialty appraisal practices have evolved to create high quality, industry-leading standards. Over this 25+ year relationship, our staff has evolved into specialty appraisal practices. One staff member appraises apartments, another large shopping centers, another office buildings, another industrial buildings; we even have a staff member that appraises churches.

James V. Andrews, MAI, CRE, FRICS, ASA-BV Senior Managing Director

Mr. Andrews has valued a variety of asset types, but concentrates on hotels / resorts as well as other going concern assets such as marinas, restaurants, golf courses, quarry/mining operations, healthcare facilities, etc. He is also qualified in business valuation and regularly performs valuation and consulting assignments regarding businesses interests such as partial and full interests in operating companies, and intangible assets /intellectual property.
