OUR VALUE PROPOSITION

What sets our firm apart is the longevity of our principals and senior analysts who have been collaborating on property analyses for over 12 years. Through developing our team relationships, our specialty appraisal practices have evolved to create high quality, industry-leading standards. Over this 12+ year relationship, our staff has evolved into specialty appraisal practices. One staff member appraises apartments, another large shopping centers, another office buildings, another industrial buildings, another land development; we even have a staff member that appraises churches. When you hire our firm to value your property, you are engaging an expert in the property type you need valued.
